Congratulations [@appumohanan](#), you've completed this course!

What went well

Now, you have your slide deck deployed [here](#) and you've gone through the GitHub Flow.

Before I say good-bye, here's a recap of all the tasks you've accomplished in your repository:

- You learned about issues, pull requests, and the structure of a GitHub repository
- You learned about branching
- You created a commit
- You viewed and responded to pull request reviews
- You edited an existing file
- You enabled GitHub Pages
- You made your first contribution! 🎉

Give us feedback

We'd love to hear what you thought of this course. Please share your feedback in [this brief survey](#).

What's next?

We hope this course helped you feel more comfortable using GitHub. Remember: You're always welcome to repeat course topics if you'd like additional practice. If you're ready to build on your new skills, here are some ideas.

Contribute to a project

To learn more about contributing to through tutorials, topics, and curated collections, check out [GitHub Explore](#).
